Doug Adams sent these in from London Ontario. If you made a 30 L purchase of gas during the stated period, you received a voucher which gave you \$5.00 in coupons on any Store purchase of \$25.00 or more. There were several of these promotions in different areas. In Quebec the voucher for one promotion gave you \$5.00 on a \$10.00 purchase.

Barry Uman found the \$20.00 rebate on a \$150.00 car repair. These were found for at least 2 different dates March 30th 2001 and April 29th 2001.

Figure #4

A "Sloppy Five" was reported being seen on a couple of occasions. All were in the same serial number range.

Figure #5

Earl Tripp, while searching for the Broken Frames noticed that they also had a spot on the denomination. He wonders if they could be related in some way?

Figure #6

J.-Guy Coté was going through his stash and came across what seems to be a period (•) at the end of the serial number. He found 7 in his stash, three are displayed. The others are X226543, X226544, X635095 and X221640.
