

# SANDY McTIRE UPDATE NEW DISCOVERIES

by Don Robb #003

In the January 2002 issue of "The Collector" I reported on two newly discovered Sandy McTire coupons. Now, just a few months later, I have two more new "Sandies" to tell

you about. Including these two we now have a total of 89 coupons in the Sandy McTire series. The two new coupons are:

1) **MP2B-40D2**: This is a 40 Cent coupon on Bond paper with "D" Prefix Serial Numbers. The Back is Rose with a "We Pay Half" format and "Clear", ie. no underprint. There are

now 10 coupons in the MP2B classification. Because of this addition a number change is required for MP2B-40D. It now becomes MP2B-40DI.

2) **PSIB-40DI**: This is a 40 Cent coupon on Bond paper with "D" Prefix 5 Digit Serial Numbers. The Back is Rose with a "Free Membership" format and a "Helmet" underprint. There are now 14 coupons in the PSIB classification. With this addition a number change is required for PSIB-40D. It now becomes PSIB-40DI. The only difference from PSIB-40DI is the coupon's 6 Digit Serial Numbers.

## A FIRST FOR CORNERBROOK

by John Dawe #402

Canadian Tire held a Grand Opening of their new retail Store and Gas Bar on October 30th 2002. To help get customers enthusiastic about their new Store and Gas Bar, they issued a 8.5 x 11 inch full color promo sheet with three 10X coupons valid until November 10th 2002. This is a first for Cornerbrook and the West Coast area of Newfoundland. They were also giving out free CTC coupon wallets with a gas purchase.
