

Sandy McTire Low & High update

by Lucien Levesque #479

Thank you to all those that contributed with the Sandy McTire low/high data. The next Bilodeau Guide Volume 1, Edition 7 will reflect this information. Further research has to be done ie: colour variations (co, clg, cdg, ckg) refer; Volume 2, page G-16.

The research done so far brought interesting results, but it is not conclusive enough, your input is still required. A listing of your collection and spares, including the colour variations would be a great help. Please forward your list to: Lucien Levesque, 13285 rue de la Bourgogne, Mirabel, Québec, J7J 1P9 or llev@videotron.ca
