

POINTED "Z" ON THE CTC S4-E 50¢ SERIES

by Lucien Levesque #479

I have decided to publish the latest known fact about this series that is a very fascinating part of the CTC S4 series that is often neglected. If you are interested, please verify your stash and compare it to the information listed.

See the known ranges below.

Thank You in advance for your help. It would be appreciated if you could let me know if you have any Pointed "Z" coupons that are not included in this list. Also if your serial numbers could be considered as a high or low, please forward me the information.
