

## Discoveries from Marc-André Lemire #885

1. Sandy's has a couple of fleas on his moustache this CTC S11-B 5¢ note.

2. This CTC S20-B 5¢ note has an "r" instead of an "n" in the word Canadian on the slogan at the top on the back of the note.

3. The letter "T & R" in TIRE in the signature panel at the bottom of this CTC S27-C 10¢ note have 2 small dots, one on the top of each letter.

4. The dot over the "i" in the word "in" fell off and rolled completely over to the right side of this CTC S20-F \$1.00 note.

5. This is a "normal" CTC 3-C 3¢ note.

6. On this blow-up of note #5, notice the lines running from the rim to the center of the hub cap and the lines around the outside circumference of the tire, how they are well defined.

7. The lines running from the rim to the center of the hub cap are solid and have no white space in them like #6.

8. The lines around the outside circumference of the tire have also filled in on this note.

Maybe I have too much time on my hands?
