STRANGE FIND – PERSONALIZED GIFT CARD

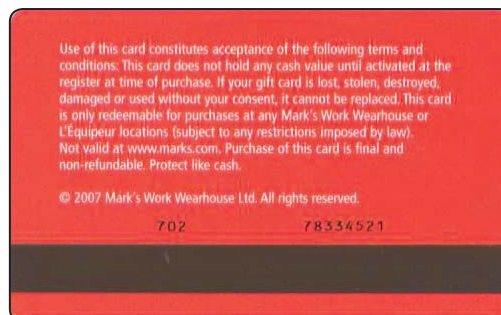

by Everett Runtz #772

This may be of interest only to a few of the Mark's Work Warehouse (MWW) collectors (which by the way, is owned by CTC) but is possibly a new twist to the CTC gift cards yet to come.

I recently obtained a used MWW gift card that has been personalized!! As you can see from the scan it has a personal greeting and the donors names. It appears to have come from the company that issues the cards as the greeting is plasticized inside with the rest of the card (not an add-on), has a card number with an appropriate eight-digit code number, and the 2007 MWW "© 2007 Mark's Work Warehouse Ltd. All rights reserved". I have never seen a gift card like this but maybe that is something in the future for CTC. MWW

personalized gift cards can be ordered via the MWW website at no extra charge (maximum four lines of about 20 characters each). The cards are mailed to the purchaser at no extra charge and are available in \$25, \$50, and \$100 denominations.

MARK'S WORK WEARHOUSE CARDS

by Marc-André Lemire #885

Here are the fronts and backs of some Quebec Marks Work Warehouse / L'Équipeur cards.

I am looking for members that can give me more information about these cards.
