

# BILL CUFF'S NEW FINDS

This CTC S30-B09 note has a small wing.

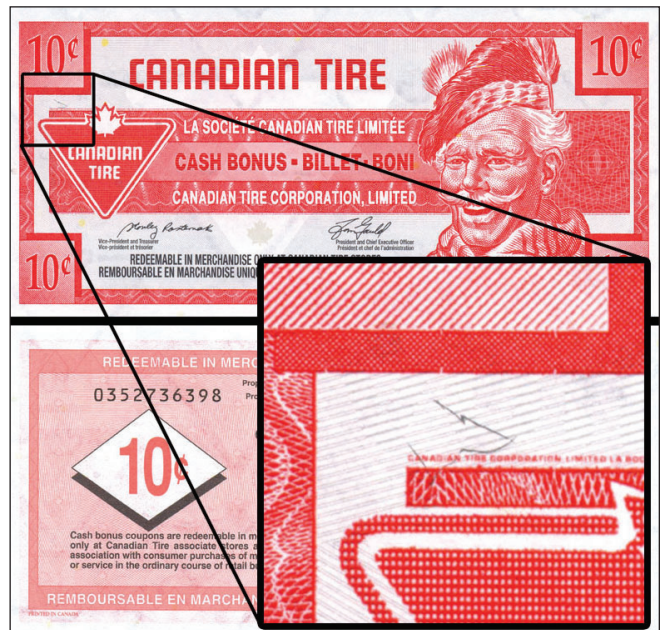

These notes were found by Bill Cuff in British Columbia in mid November 2009. From the serial number it looks like a CTC S30-B09 even though the signatures are not present!

This CTC S30-B09 note is missing the left serial number. It has fallen off to the bottom of the note.

This CTC S30-B09 note has part of its serial number on this side of the note.

This CTC S28-C08 note has a Plate Scratch.
