

CANADIAN TIRE CATALOGUE GUIDE

by Ghislaine Memme #015

This catalogue has been designed for collectors of Canadian Tire catalogues. It includes the cover pages of Canadian Tire catalogues from 1926 to 2010. It is dedicated to all those who have an interest in catalogues and anyone who wants to recall their front pages used by the Canadian Tire Corporation. This catalogue contains over 340 color photos of every

cover page, each printed in an 8.5" x 11" format and spiral bound. In order to maintain this catalogue up to date, I would be interested in obtaining any catalogues that are not shown in this guide. You can contact me at the following e-mail address: therouxg@videotron.ca
