ODDS & ENDS

While going through a bundle of 10¢ coupons, I came across a note that the left serif is missing. This is the CTC 8 series Large serif. I looked for more (about 5,000 coupons) and came up with none. The numbers that I have are in the T6xxxxxx range from T6870484 to T6971686.

I also came across a note that the right serif is bent. This is the CTC 10 series Large serif. They are in the following range from T1497151 to T2196746.

If anyone has any of these please let me know. I can be reached at Jean-Guy Cote, 238 Davenport Rd Suite 207, Toronto Ontario, M5R 1J6

CTC HUMOUR CORNER

OCCASIONALLY a friend and I went to a show or dinner. When we went to pay, he'd take out his wallet and I always noticed how unusually thick it was. Once, I remarked, "Why is it necessary to carry so much money?" He laughed, opened his thick wallet and pulled out a wad of Canadian Tire money.
