

## NOMINATION COMMITTEE REPORT: 1999 - 2000

In accordance with the club's constitution, a Nomination Committee was formed at the last executive meeting held after our club meeting at the ONA in Ottawa. Members of this committee as chosen by the executive were Mike Hollingshead, Roger Fox, and Jerome Fourre.

The purpose of this committee is to present to the members a slate of proposed executive officers and directors to lead the club for the next two year term, or from January 1, 1999 to December 31, 2000. It is a pleasure to present the following list of nominees for the positions indicated. Further nominations from the general membership for any of the positions listed are welcome, and can be made via mail to the

President, (Roger Fox, 382 Selby Crescent, Newmarket, Ontario, L3Y-6E1), by telephone to any of the above listed members of this committee, by E-Mail to either Mike Hollingshead or Jerome Fourre, or in person at any of the next three CTCCC meetings: Edmonton CNA, Toronto Torex, or Montreal Nuphilex.

If more than one person is nominated to any executive position, then an election will follow to the entire membership by mail. ## Waterloo Coin Society Floats Overprint of 75th Anniversary CTC 5¢ Issue

by Mike Hollingshead

In advance of the 1999 Canadian Numismatic Association annual convention to be held in Kitchener, Ontario, July 22-25, the Waterloo Coin Society has taken a cue from some older issues of CTC coupons that featured overprints. The popular southern Ontario club commissioned a printer to overprint a number of CTC coupons.

The face of the coupon features an overprint that advises the bearer to "See Reverse", and has the denomination counters "X"ed out. The back of the coupon is overprinted with "Redeemable for 10 cents only on the bourse floor of the Canadian Numismatic Association Annual Convention at the Four Points Sheraton Hotel, Kitchener, Ontario held July 22-25, 1999. Sponsored by the Waterloo Coin Society". All the faces were overprinted in black, the backs, however, had a printing of 199 in red and 299 in black. Persons that pre-register at the 1998 CNA in Edmonton will find a black-backed coupon in their kit. The dealers registered at the CNA have a red-backed coupon in their registration kit.

An additional, special, limited edition printing consisted of two replacement coupons (one in black and one in red), three "test" notes that are only back overprinted (one set red and one set black). The special issues will be sold, as seven lots, at the CTCCC mailbid/floor auction to be held in conjunction with the ONA convention in Guelph, Ontario, in April 1999 to allow a chance for interested collectors to obtain the special issues. The plates used to produce the issue were destroyed following the printing.

CTCCC club members may obtain (while supplies last!) a regular, red & black, set of two 5 cent coupons for \$5.00, postpaid by writing to the Waterloo Coin Society, P.O. Box 40044, Waterloo Square, Waterloo, Ontario, N2J 4V1. Make cheques payable to Waterloo Coin Society. Payment may also be made in CTC coupons!!

Holders of the overprinted coupons are encouraged to visit the 1999 CNA, even if they don't intend to redeem their coupons.
