

WHEN YOU HAVE A LITTLE TIME ON YOUR HANDS WHY NOT LOOK FOR SOME OF THESE

by Sandy Lipin #333

Here are a few things you can find in the S30-B09 Wetmore series currently in issue:

A little green dot on the bottom of the front bottom border just below the N in CANADIAN. This dot appears on every third note when they are in sequence. The serial numbers where I have found this dot are as follows: 03466752xxx, 0358325xxx, 0360825xxx and every third note in a brick 0370675500 – 037067599. As a note I also found this dot in S28-B08 with serial number 0339125387 (See figure 1).

A little green dot on the inside of the right border just above the 5¢ block. Again this dot appears on every third note in the range 0353511524-1541 (See figure 2).

A little green dot on the bottom border (in the green) just below the U in UNIQUEMENT. This dot appears on notes 0342851900-999 every third note and in range 0341751504-1770 on every third note (See figure 3).

A little green dot on the bottom border again but on the upper edge just below the D in CANADIAN. I have found this dot on notes 0360934341-4351, again, on every third note (See figure 4).

For something a little different - a white blotch in the green triangle on the front left below the word TIRE. This

white spot has been seen on serial numbers 0355725821-5998 and again on every third note (See figure 5).

White spots on the T, I, R, E at the top of the front. These spots move over different parts of the word. Found on notes from 0342851932-1999 (See figure 6 & 7).

White spots on the green words in the center of the note particularly on the words CASH & BONUS. Found on notes in the 0350604457-4467 range.

A green line on the right side border above the 5¢ block. This may be a one only as I found it on note number 0348611718 (See figure 8).

If you still need something to do you could look for these: in the S28-B08 series there are notes with a very distinct white spot in the middle of the maple leaf in the white triangle. I found these in the following ranges: 0337019112 - 0337019115, 0337229461, 0337224461, 0337234461 and the same number almost except ending in 65 (See figure 9).

And finally how about a background design shift left, note number 0312560245 or a shift right, note number 0296714459 or a shift down as in note number 0306703300 (See figures 10 - 11 - 12).
