Roger Bernier #933 found a CTC coin with an anomaly. It seems that there is an extra bead near the rim to the left of the "C" in Canadian Tire on the 1st series of coins CTC issued.

Bill Cuff, #337 found a CTC S28-C08 and a CTC S30-B09 with identical serial numbers. Very Lucky!

Bill Cuff, #337 found this CTC S28-F06 with a small delamination on the top back border.

Unknown.

A broken 8 on the last 8 of the left serial number.
